V. New Business
A. SVLS Day in the District Coordination Discussion
Howe asked Saratoga library staff to create a list of local representatives for everyone and she will be sending out the grid to the SVLS Council. The CLA Legislative Committee discussed the CLA legislative priorities at their last meeting, and SVLS could also identify local priorities.
B. **Review and Approve New SVLS Delivery Courier**

A motion was approved to enter into a one-year agreement with up to two renewals with Am-Tran, and retaining the current SVLS delivery schedule (M/S Baker/Bojorquez).

To: Silicon Valley Library System Administrative Council  
From: Carol Frost  
Subject: Consideration of Increasing SVLS Contribution to Silicon Valley Reads  
Date: January 18, 2019

Background

Silicon Valley Reads has been offering the one book, one community program since 2003. The Silicon Valley Library System Administrative Council has financially supported this annual event by allocating $5,000 towards the event. It was approved several years ago that ongoing annual support of $5,000 would be automatically continued, and so no annual action is taken by the Council for approval. Funding comes from the SVLS reserves.

Along with the annual invoice for the 2019 program, the following note was included by Diane McNutt, the Silicon Valley Reads Coordinator:

“SVLS …. has been a donor each year since 2006 and we hope that will continue next year.

I would also like to ask if there is any possibility of an increase in the donation amount which has been steady at $5000 per year. The program keeps growing in scope and impact and additional funding will help us extend our outreach even more into all parts of Santa Clara County.”

Recommendation

It is recommended that the SVLS Administrative Council consider and approve additional funds for Silicon Valley Reads, using SVLS Reserves.
